

CEGG “WATER FANTASY” CHALLENGE 2019

This year’s challenge will be a “**Water Fantasy**” theme and be a “**Brown Bag**” challenge. Those deciding to sign up to do the challenge will be given a brown bag in week 5 (November 19). You must sign up in week 3 and 4 to get a brown bag in week 5. BUT....Only sign up if you really intend to complete it.

Contents of the brown bag:

- A variety of fabric pieces which will include a piece of very fancy material that was donated....think of texture, glitter, sequins, gold or silver threads.
- Some things for embellishments
- Several more basic fabrics and/or fibres
- Note: Bags will differ in contents (trade if you want) but no exchanges.

What to do with your brown bag:

- Let your mind wander as you think about the theme
- **Be creative**; plan
- Then sew, embroider, bead or otherwise embellish or whatever.....

Constraints:

- May be either 2–D or 3–D construction
- Try to stay in a 12” x 12 “size limit
- Your piece **must feature** most of the brown bag materials but you can add as necessary from your own stash

Show and Enjoy:

- All pieces will be brought in the last class (April 7) in week 12 and we will have a big reveal at lunch time. Lots of ooohs and aaaahs!
- Viewers’ choice... just for fun. No trophy.
- If you are going away this winter.....take it with you and mail it back if you won’t be at our last class.
- If your piece requires a special stand, please provide it.
