November 2, 2021

Dear Fellow Stitchers

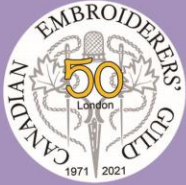

We are very excited to be celebrating our 50th Anniversary, entitled "Evolution and Diversity of Textile Arts", and would like you to know of some of our activities. In particular, you may be interested in the workshops we will be holding in early June 2022 at Western University. There will be eight international instructors leading a variety of workshops over the two-week period. Registration will open for non-members on November 22 on our website [ceglondon.com](http://ceglondon.com). On the home page of our website you will find links to everything you would want to know about our guest artists, their workshops and general information as well as registration.

Early registration for members has been open for a week already but we look forward to having some new people join us. (Membership is available for \$100 if anyone is interested in all our regular activities and allows immediate registration in the workshops.)

Since the workshops vary in length, participants might be interested in overnight accommodation. A recommendation may be found at [https://brescia.uwo.ca/conferences/summer\\_accommodations.php](https://brescia.uwo.ca/conferences/summer_accommodations.php)

Please send any questions to me at [andrea.manias@sympatico.ca](mailto:andrea.manias@sympatico.ca).

Andrea Manias  
chair of the 50th Anniversary Committee

A Textile Arts Group
