

BEETLE BROOCH

Supply List

1. Your basic sewing kit with a pair of scissors that will cut very small metallic threads.
2. 5" or 6" hoops that will hold your fabric very firmly throughout the stitching process. We will use them simultaneously
3. Your preferred needles to hold the various threads mentioned above.
4. Awl to sink your metallic threads
5. 10"x10" white fine weave cotton fabric
6. Beeswax to strengthen your threads
7. If you have silk threads, we will not use them until the second lesson.
8. A kit will be provided with all the materials that are difficult to source locally. There will be a cost for this since gimp, gold threads and some other items need to be ordered this involves some expenses that will be made available closer to class time.
